In the matter of Daniel Heflebower, executor of Daniel Heflebower, deceased, the account of Daniel Heflebower, executor, was returned in the court by Jno. T. Porterfield, commissioner of accounts. Also came D. Heflebower in person and F. W. Brown, T. C. Green and Tracy L. Jeffords, attorneys. The court took the matter under advisement.

Black, administratrix of G. W. Z. Black. Appointment by Sheriff Gardner of Creamer Young, Jr., as deputy sheriff for Charles Town district, in place of S. C. Young, resigned, approved.

Friday afternoon the court heard the argument of counsel upon the exceptions filed to the report of S. W. Washington, commissioner, settling the account of Wm T. McQuilkin, executor of Hortensia Koontz. The main exception to said report was to the allowance of a claim of Mrs. Wm. T. McQuilkin for \$1,960, for alleged services rendered the decedent for five years prior to her death. The court on Monday sustained the exception to the report of Commissioner Washington, who allowed said claim of \$1,960, against the estate, and decided that Mrs. McQuilkin had no valid claim against the estate and the same was not allowed Col. F. W. Brown represented Mrs. Mc-Quilkin, and Geo. M. Beltzhoover, Jr. represented the Koontz heirs, who opposed the auditing of the claim. The account of the executor was recommitted to the commissioner, with instructions to restate the same and make report of his proceedings thereon to the next special term of the court in March.

The court adjourned Monday afternoon
